

## **DIAZ BREAST AND BODY COSMETIC SURGERY**

Dr. Michael Diaz is a board-certified cosmetic, plastic and reconstructive surgeon specializing in breast and body cosmetic surgery. Dr. Diaz was educated at the University of Miami Miller School of Medicine and graduated with top distinction as a member of Alpha Omega Alpha Medical Honor Society. He completed his post-doctoral general surgery and microvascular surgery training at The University of Miami/Jackson Memorial Hospital. He continued his plastic and reconstructive surgery training at the University of Massachusetts School of Medicine which included specialized cosmetic training at Lennox Hill Hospital in Manhattan.

Having been in private practice for over nine years and focusing on breast and body cosmetic and reconstructive surgery, Dr. Diaz offers his patients specialized excellence with a meticulous eye for detail, advanced techniques and top surgical care. Dr. Diaz's primary procedures include breast augmentation, breast lifts, combined augmentation/lifts, adjustable breast implants, abdominoplasty, "tummy tucks," combined procedures (breast augmentation/lift with tummy tuck and liposuction), "Mommy Makeovers," corrective surgery of the breast and abdomen, as well as body contouring.

Dr. Diaz is assistant professor of plastic surgery at the University of Central Florida College of Medicine and holds a faculty appointment at Florida International University College of Medicine. He's also a member of the University of Massachusetts's Memorial Hospital's C.H.A.N.G.E., a program that travels yearly to Ecuador to perform charitable surgeries for the underprivileged. Dr. Diaz also led the first Project Peru initiative, a two-doctor plastic and reconstructive surgery medical export team and support staff of 15 that provided charity reconstructive surgery to the people of rural Cusco, Peru. In addition, he has volunteered his surgery services pro bono to the Brevard Health Alliance. Recently, he had the honor of performing reconstructive surgery on a beautiful little Haitian girl that has since been adopted by a prominent local area doctor. Caribbean.
